PRESS RELEASE

AMARIN YOUNG
PeaceBuilder of the Month for November 2009

Amarin Young of Carol Stream, a Sophomore at Community High School District 94, has been recognized as the November PeaceBuilder of the month.

Amarin received the PeaceBuilder Award for assisting others, her great attitude towards school, and her dedication to supporting various school initiatives designed to give care packages to our soldiers overseas. She is to be recognized and commended for her work here and her desire to improve the atmosphere at We-Go.

Amarin credits her family for providing her with a solid work ethic and commitment toward helping others. For Amarin, peace means giving as much back to the community as possible. She says that good people take care of each other by providing random acts of kindness. As she stated, "Humanity is like an ocean; one speck of dirt does not make the ocean dirty". Amarin's inspiring message should be listened to by all.

Amarin seems to answer the calling to sacrifice her time and energy to bring peace and happiness into the lives of others. She is a member of the Art Club, Math Team, Habitat for Humanity, and the Key Club. Aside from actively participating in extracurricular activities, Amarin has also managed to score well in school. She plans on attending college upon graduation.
