The Motto Is: "THE FIRST RULE OF FILM CLUB – IS THAT YOU TALK ABOUT FILM CLUB!" The idea for the Film Club came from students wanting to get together and see good films and having a group to discuss the making, understanding, and appreciation of movies. The club is fluid – meaning people come to the discussions that they can attend – and have a great time learning and talking about movies. You won't look at movies the same way and you will love films even more! Information is always pitside Room 2178 or at www.wegotheatre.com.

Operation Snowball acts as a drug and alcohol prevention program for youth. The goal of Operation Snowball is to offer a variety of resources on healthy lifestyle, leadership and communication skills, and an opportunity to meet other people in their communities who share the ideals of a drug-free life. Operation Snowball is a weekend retreat/lock-in. During the weekend, students will meet peers that are committed to an alcohol, tobacco and other drug free lifestyle. There are also speakers and representations for people to listen to and interact with. Each student will be a member of a small group that will allow him or her to process the speakers and presentations as well as get to know their peers. And of course there are plenty of fun activities for everyone to get involved with! (Teen Leaders will need to apply by the end of October and will begin meeting in November. Participants will need to apply by the middle of December and will attend the event in January.)

Journalism, which is open to all levels of high school students. After successfully completing this one semester long class, you can enroll in Journalism Production, which is the class that publishes the Wildcat Chronicles. Students may enroll in Journalism Production multiple times. Many students enroll in Journalism freshman year and stay with the program for four years. Seniors may take Journalism for an English credit. The Wildcat Chronicle is the award-winning students voice of the high school. Student reporters, editors and photographers fan out across the campus and community to report and write news, features, sports, review, and editorials so the student body is well-informed about events within the school and community. Responsible journalism is practiced at all levels. Students also raise funds in order to attend conferences and competitions, several of which require travel out of the state.
