POLICIES & PROCEDURES

ATTENDANCE
Attendance and participation are required, and participation is graded DAILY. It is your responsibility to find out what work you have missed if absent. You have one day for each day missed to submit the work.

LATE WORK
Late work will be accepted for 50%. You have until the unit ends to turn in the late assignment; after that point, it will become a zero in the gradebook.

GRADING
Grades will be entered into Powerschool and Google Classroom. It is your responsibility to check that your grades match what is entered electronically. Late work will be entered when the teacher gets to it. Do not repeatedly ask for missing assignments to be updated if you did not take the time to turn it in on time.

HONESTY
Cheating and plagiarism will not be tolerated in any form. Any assignment that is proven to be the work of anyone other than the student will be given a zero.

TECHNOLOGY
Students are permitted to use school-issued Chromebooks only in class. No smartphones, earbuds or other devices are allowed unless CLEARLY SPECIFIED by Haas.

PREPARATION
Students are expected to be prepared for class each day. That means:
● Your Chromebook is charged
● You have writing utensils including pens, pencils, and highlighters
● You completed the assigned homework and reading
● You start working on the bell ringer when the bell rings

AP HUG STUDENTS ARE...

1. RESPECTFUL—Respect other people’s opinions yourself and the classroom too. No food in 183.
2. RESPONSIBLE—Have your materials and assignments daily. Miss school? YOU’RE responsible for getting the work. I won’t hunt you down with it.
3. ENGAGED—Be ready to work bell to bell, ask questions, and be ready to act a bit silly sometimes too!

WORK HARD TO LEVEL UP!
To reward students for investing the additional time and effort required of a college-level class, their grade is "weighted" (students earning an "A", "B", or "C" will receive an additional point on their GPA).

Your Google Classroom account is your access point for our classwork. Be sure to check your class updates daily to ensure you are keeping up with assignments. Grades on GC may not be immediately updated in Powerschool.
